Staten Island, NY 10314**

To the Willowbrook Jewish Community:

The Society for an Open Nachas Unlimited (SO, NU) is a group of your neighbors who are deeply concerned with the secret and unsupervised methods employed by the Board of Directors of Nachas Unlimited who have created a virtual monopoly on all community *nachas*. We believe that Nachas Unlimited must be limited to stewardship over a reasonable share of available *nachas* and intend to open the organization to the light of public scrutiny to ensure their abuses cease. Our primary grievances are listed below.

1. The very name Nachas Unlimited is fraudulent. It implies that all residents and contributors have grandchildren through which they can "*Shep Nachas*." Numerous Willowbrook residents have no grandchildren and must obtain their *Nachas* through the grandchildren of others. Thus, their *nachas* is in fact, limited! We deplore this deliberate falsehood which is at the root of the Nachas Unlimited monopoly.

2. Nachas Unlimited is known to utilize the Internet. This is a *Chillul H-Shem*. Every true Torah Jew knows the Internet is the primary source of idolatry and lewdness in our society. Witness the fact that electronic mail users within this very community have been placed in *charem* for their use of this sinful medium. We demand an immediate cessation of all Internet usage by Nachas Unlimited. For more information on this topic visit the Society for an Open Nachas Unlimited (SO, NU) web site at <http://www.mikesturm.com> or email us at mike@mikesturm.com.

3. Printed information about the Nachas Unlimited Internet site indicates that their Internet address is nachas.org. We demand an immediate answer to the question – is Nachas Unlimited allied with the Orthodox Reformation Guild (ORG)? This shameful organization has for years, advocated limiting the brims on black hats to no wider than 1.5 inches and has permitted Shul *Mechitzas* 3 inches below the ceiling. We are appalled that such an alliance is allowed by the Nachas Unlimited directors and call for a full explanation.

You will receive subsequent mailings which will introduce the slate of directors the Society for an Open Nachas Unlimited (SO, NU) will nominate to lead Nachas Unlimited in the future. We urge you to support them. For the present, the Society for an Open Nachas Unlimited (SO, NU) will be sending credentialed charity collectors to raise funds at all morning *minyans* as soon as we can recruit enough scruffy individuals who cannot speak English. The Society for an Open Nachas Unlimited (SO, NU) wishes you health, *Nachas* and a very **HAPPY PURIM**.
